About This Game

Learn, Play and Win !!!

Poker played on a PC has now reached a new standard of game play. Not only can you play poker, you will also be taught how to improve your game and surprise your friends.

- High quality 3D display in all locations
- 16 different locations giving different atmospheres
- 3 different table sizes (6 – 10 players)
- 50 3D animated male and female characters
- 4 levels of artificial intelligence (AI) from beginner to poker legend
- 3 types of opponent playing styles (passive, aggressive, variable)
- Selectable dynamic or static cameras plus additional mini cam
- Poker school for beginners (rules, types of hands etc.)

-
- Coaching for advanced players (bluffing, odds, body language, seating position, tips etc.)
 - Optional luck factor (Handicap - helps you get better or worse opening cards)
 - Campaign - Western career mode (try to win the adventure story by playing your best)
 - 7 tournament modes (6 qualification games in different locations and then the grand final)
 - 4 mini poker games (also helps you to improve your game)
 - Poker tools and helpful statistics (out and pot odds, winning chance, counters, help etc.)
 - Poker lexicon (important definitions, A-Z, opening hands)

b4d347fde0

English,French,Italian,German

The Indian was a friend and I soon recovered my health.

Chief Starting Hand used the next few days to initiate me into the mysteries of poker.

"You have learned much, my friend, but you must pass one final test.

Beat me heads up, and you are ready to go on your way."

Game time: 0:02:12

Katja Gold	380
