Players will dive deep into the lost world of The Lost City and the cursed sea, where they will search for hidden treasures and a special relic in the hopes of finding a way to stop the evil Time Keeper from taking over the world. DESCRIPTION The Rise of the Guardians The Force awakens within the hearts of some, an unsurpassed gift of power and ability. With power comes responsibility. Whichever Guardians choose to embrace their power are the only hope for stopping the evil Time Keeper from returning to destroy humanity. Your team of heroes is just as powerful as your team of Guardians. It's up to you to train them, to build their strength, and to explore an epic story that could lead you to greatness. Start your adventure today as you lead your team of Guardians against a mysterious villain with powers beyond imagining. This edition of Lego Dimensions is an all-new original game in which you control heroes from both The Lego Movie and The Lego Movie 2: The Second Part. Players can play as Emmett, the master code breaker and gladiator leader of the Guardians of the Universe, his oldest friend, Vitruvius, a space pirate, Wyldstyle, a motorcycle stuntwoman and the coolest cat in the galaxy, Batman, an IncrediBowl inventor and a time-

travelling cyborg. Along with them, players also get to play as the Time Keeper, Lord Business, Vitruvius's older brother, Doctor Mayhem, Lucy and the minifigure of the game's protagonist, Benny. The game features two completely new games: - The Lego Movie: Emmett's journey to discover the secrets of The Lego Movie 2: The Second Part and thwart the evil Lord Business from acquiring the Voila Weapon. - The Lego Movie 2: Emmett's journey to be the first Master Builder and build his ultimate creation. Like Lego Dimensions, LEGO Dimensions 2: The Second Part is the next evolution in LEGO Dimensions' game-changing mechanics that make it the first and only LEGO game to allow players to build and play out scenes with both worlds from The Lego Movie and The Lego Movie 2: The Second Part. The game's new structure allows for a completely unique game experience, which will put players in control of the world's first brick-built Super Heroes with unique and customizable looks and abilities to take on a variety of different challenges 82157476af
